

### **Completing Applications**

If your course has a required application, you can complete it in two ways.

#### Part A) By adding the application to the My Application tab on the Learner Home Page

Some required applications are private and will only be available if you are enrolling in the course. However, if the application is not private, you can complete the application prior to enrollment.

Log in to the **Learner Home Page.** You can also log in by using the **Learner Login** card on the Home Page.

Log in to an existing account	Create a new account
<ul> <li>.og in using your existing account information:</li> <li>If you have received the Welcome to Vanderbilt University! email, please sign in with your learner number (e.g. X000000) found in the email as your username and the password you set at account activation</li> </ul>	Please enter your preferred email to continue. If you are a youth participant (17 and under), please have your parent or guardian creat an account using their email address. A link to set a password will be emailed from <b>pace@vupace.vanderbilt.edu</b> . Add this email to your "safe sender" list to optimize communications.
<ul> <li>If you have received the Set Your Password email, please sign in with your learner number (e.g. X000000) found in the email as your username and click the link in the email to set your password.</li> </ul>	For parents that would like to have multiple children apply/enroll into our programs, click here for instructions.
<ul> <li>If your reset link or account activation link has expired, please use the Forgot Password link and use your username found in the email to reset your password.</li> </ul>	If you have received the <b>Welcome to Vanderbilt University!</b> email, registered for a course externally, or believe that you already have an account, please log in the <b>Log in to an existing account</b> section on
